"I've loved this music for so long and to get all of my favorite features on one guitar is so great."

John Jorgenson,
Frets Magazine Fall 2004

Any Django fan or Gypsy Jazz guitarist will be thrilled to have five classic Maccaferri-style guitars to choose from. All with traditional sound and style coupled with modern improvements. With the first strum or blazing run you will know that they also have the characteristic barky twang and cutting mid-range that truly defines Gypsy Jazz. Look no further for that impossible-to-find original and get your hands on the next best thing — a Gitane!
